lenn,	nn Carle Re Victims						

workload, we are still in the process of reviewing your latest manuscript. Unfortunately, based on my review, I feel we will need to meet again to discuss various parts of the text. Hopefully, such a meeting will be acceptable with you.

I will get back to you probably next week to make arrangements on the most convenient time for both

A belated Happy New Year.	1	

How long would you say until you will send me what I anticipate and hope will be the final round of revisions to my manuscript, <u>Victims of Delusion?</u> I expect that there will not be too many points outstanding.

I am anxious to resolve any outstanding points and to be able to move on to an agent and a publisher.

Many thanks.

of us to meet.
